

MAY SIDE CHAIR

CONTRACT DINING CHAIRS

WOOD & METAL DINING CHAIR The wooden chair is a popular choice for furnishing restaurants, cafes, pool halls, lounges, bars and other high traffic establishments. This wooden back chair is easy to clean, which is an important aspect when it comes to a business. Available with a wooden seat and back. The steel frame can be powder coated to any RAL colour. Wood seat and back are available in a stain or can be painted in any RAL colour. The May Side Chair was designed to withstand the daily rigours in the hospitality industry, providing a classy look. The simple design of this wood and metal dining chair will not disappoint, whether used for residential or commercial grade use. These industrial-influenced dining chairs have a modern take on the traditional chair with its open backrest. To customise this wooden and metal chair to your specification, give us a call today!
