BROOKLYN ARMCHAIR

CONTRACT SOFAS AND ARMCHAIRS

DISTRESSED LEATHER ARMCHAIR A great retro armchair that would fit in a club lounge, hotel lounge, or co working zone. This small retro armchair looks great in distressed leather. Sleek and clean lines, simple but sturdy construction for this retro armchair, ideal for the small spaces. The Brooklyn Armchair can be upholstered in any fabric or leather from our range or COM and the timber frame in any style finish. You sit stable and steady since the frame of this small retro armchair is made of timber wood. This timber frame distressed leather armchair has a unique expression since the timber frame is first stained and then covered with a clear lacquer that makes the wood's natural grains visible. The Brooklyn Armchair boasts a combination of sharp lines and soft upholstery. This distressed leather armchair features a solid timber frame, which gently tapers towards the back, while the low arms and soft leather upholstered cushions make the Brooklyn armchair both aesthetically pleasing and highly comfortable. Reach us to know more about this distressed leather armchair at UHS International.
