APEX TABLE

CONTRACT DINING & BAR TABLES

CHEVRON PATTERN TABLE Entertain in style with our impressive Apex chevron top dining table. Supported by tapered hairpin legs and with a stunning parquet strips top, there is ample space to seat six comfortably. Inspired by mid-century design, this characterful solid wood dining table is destined to take pride of place in any dining space. The Apex Table consists of a tensioned metal base and a solid wooden tabletop where the parquet strips are laid in a classic chevron pattern. This metal base dining table will add a unique touch to any indoor venue. The sturdy metal hairpin legs ensure durability and stability. This chevron top dining table can be used as a coffee table, end table, cocktail table, office table, etc. Complete with four hairpin legs, this iconic table has an industrial edge to it and is perfect for farmhouse style and contemporary living rooms, waiting rooms and hotels. Contact us to know more about the Apex Table supplied by UHS International.
