IN-BASE SQUARE | SQUARE TUBE BAR BASE

CONTRACT TABLE BASES

SQUARE METAL TABLE BASE Create the perfect table for your establishment with this In-Base square tube metal table base supplied by UHS International. Its smart, timeless look fits any tabletop from our range of tabletops for an ensemble that will coordinate well with your bar or restaurant's decor. This bar height square In-Base with a square central tube in black painted, suitable for contract and commercial use. The dimension of the base can be enlarged to support the more oversized tops. Also, the height can be customised—powder-coated colour as desired. Get in touch with us to discover more about this In-Base Square Tube Table Base available at UHS International.
