IN-BASE SQUARE | SQUARE TUBE DINING BASE

CONTRACT TABLE BASES

METAL PEDESTAL DINING TABLE BASE Our In-Base Square Dining Table Base is a sleek and modern base made from metal, finished in a neutral black. This versatile square pedestal table base suits a wide range of venues, from hotels to cafes and more. Plus, with our huge range of tabletops and finishes, we can match your base with your perfect style and material of tabletop. This pedestal metal table base provides a stable base for square and round dining tables. The In-Base range comes in many different variations to support various sizes of tabletops at different heights. Get in touch with us to know more about this In-Base Square Dining Table Base at UHS International.
