

LORENZO SIDE CHAIR

CONTRACT DINING CHAIRS

LORENZO DINING CHAIR Bring the sophisticated look of leather to your dining room, or entertainment area with our Lorenzo Dining Chair. This black or white framed dining chair with upholstered seat is the perfect addition to any gathering room and great for everyday use. The faux leather upholstery is soft to the touch while its simple seating provides endless comfort. The trendy, modern design is supported with beech leg frame for a durable and sturdy chair. Clearly defined by its Scandinavian mid-century modern classic qualities, our Lorenzo dining chair is not only stylish but comfortable as well. The durable construction of its solid beech wood frame is further available with stains and colours from range or specify. The curvature of its simple back support and angled legs add an exciting element while its comfortable padded seat, upholstered seat to standard ranges or COM -coloured linen-like fabric, sets the mood for the perfect dining experience. If the details above aren't accurate or complete, Reach us to find out more about this Lorenzo chair at UHS International.
