

## MARINE SIDE CHAIR

### CONTRACT DINING CHAIRS

**MODERN RESTAURANT CHAIR** The Marine side chair is the model of industrial furniture. This formed aluminium restaurant chair is welded brushed and anodised to a clean finish. As with all our contract furniture the Marine chair is available in any standard RAL though in its raw form it would suit as a modern restaurant chair. With a matching bar stool available the Marine chair is a simple and versatile option for a wide variety of commercial furniture needs. This commercial aluminium restaurant chair is stylish and lightweight, making it a great choice for outdoor use at your restaurant or cafe! Designed to withstand any weather patterns, this modern aluminium restaurant chair is made with a heavy gauge aluminium frame and stainless-steel hardware to resist rusting. Get in touch with us to find out more about the Marine Side Chair at UHS International.
