JETHRO SIDE CHAIR

STACKING CHAIRS

COMMERCIAL SIDE CHAIR The Jethro side chair is a study in simple commercial furniture. This bent plywood chair is available in a variety of wood stains or in solid colours and can even be upholstered to fit in with its environment. Whether it is functioning as a reliable café side chair or sat around a dining table for restaurant use the Jethro makes its mark. The Jethro café side chair is a popular choice for furnishing restaurants, cafes, lounges, bars and other high establishments. This cafe side chair is easy to clean, which is an important aspect when it comes to a business. This commercial side chair is designed to withstand the daily rigours in the hospitality industry. The simple design of this commercial café chair will not disappoint you. To customise this café side chair to your specification, give us a call today!
