

ARCO SLED SIDE CHAIR

SIDE CHAIRS

SLED BASE CHAIR UHS International offers an exclusive range of sled base chairs and upholstered shell back chairs, out of which the Arco side chair is one of its kind – a classy sled base chair with bent ply formed shell back and seat. Highly engineered with many finish options and upholstery options, this shell back chair becomes an ideal choice to match your dining space. Metal wire frame of this sled base chair can be coated in any RAL colours. Streamlined and stackable, Arco sled base chair is a contemporary dining chair with a comfortable upholstered seat and backrest on sled metal legs with plastic caps embedded inside the metal base. This sled base chair is suitable for commercial use. Its sturdiness sled base that moves very smoothly on carpets has the Arco side chair mostly preferred for lounges, restaurants, and other public areas. Add this shell back chair designed and manufactured by UHS International, to your collection of dining chairs. Get in touch with us to know more.
