ALEXIA ARMCHAIR

CONTRACT DINING CHAIRS

MID-CENTURY LEATHER ARMCHAIR Alexia armchair is a mid-century design upholstered armchair with a wooden frame. Upholstery can be in any standard fabric or leather or COM. The frame can be stained in any standard stain. With design cues taken from mid-century modern styles, our Alexa Armchair packs good looks and comfort into one sleek silhouette. It effortlessly blends vintage and contemporary aesthetics for a unique, noteworthy addition to decor themes ranging from rustic cabin to upscale modern office. Bring comfort and style to your dining space with this mid-century leather armchair. A perfect combination of style and stability, this leather and wood armchair comes designed with a unique pattern. The wood frame boasts a solid neutral finish for a look that's versatile enough to blend with nearly any colour palette. This upholstered armchair also features cushions upholstered with either fabric or leather in a solid colouring for an additional layer of colour. To customise this mid-century leather armchair to your specification, give us a call today!
