ETUDE SIDE CHAIR

CONTRACT SOFAS AND ARMCHAIRS

METAL SLED BASE CHAIR Etude Side Chair is a contemporary low side chair with a comfortable upholstered seat and backrest on a solid metal sled base. Legs are tipped with felt pads below to protect your floors from scratching and scuffing. This metal frame occasional chair is suitable for both residential and commercial use. This low upholstered chair sturdiness sled base that moves very smoothly on carpets has the chair especially preferred for lounge, restaurants, and other public areas. UHS International supplies Etude Side Chair. Perfect for pulling up to a meal in style, this metal frame occasional chair is an excellent option for a blend of rustic and modern aesthetics. Founded atop a metal sled-style base finished in black, the seat of this chair is padded with foam and covered with either faux leather or fabric upholstery and so it's as easy to match as it is to clean.
