HONCHO SIDE CHAIR

CONTRACT SOFAS AND ARMCHAIRS

DESIGNER SWIVEL ARMCHAIR Every space can benefit from the armchair that has a seat that lets you relax, and your workspace is no different! A designer swivel armchair like this is an excellent way to host a meeting, thanks to its inviting fabric upholstered seat. Founded on a sleek pedestal base, this lounge swivel armchair features straight arms and a streamlined design perfect for a contemporary feel. And since the seat of this metal leg armchair features a swivel design, one can quickly turn to face each other during a meeting or a simple conversation. This contemporary swivel armchair with metal legs follows the shape of the human body, offering all the comfort of an easy chair and its rotating pedestal gives this sleek design a welcoming appeal. Contact us to find out more about this Honcho Side Chair at UHS International.
