

COMPTON ARMCHAIR

TABLE PLACE CHAIRS

LOW BACK ARMCHAIR Clean lines and simple designs make this Compton armchair a real showstopper. Bucket-like framework showcases flared track arms and smooth upholstery while the wooden legs of this low back armchair not only acts as a sturdy base but also adds a stylish touch that pushes the boundaries of imagination and creativity. Contemporary and comfy! A low back armchair with button detail and timber feet. Please choose from our fabric ranges for your upholstery requirements. Highlighted with a wooden finish, the Compton armchair features a tufted back button detailing along with upholstered flared arms. Get in touch with us to discover more about this Compton button armchair at UHS International.
