PRIME STOOL

CONTRACT SOFAS AND ARMCHAIRS

LOW METAL STOOL The Prime Stool is a sturdy but elegant low stool made from metal tubing, and the padded seat that can be upholstered in fabric or leather in an exclusive range of colours. The sled base of this small low stool is available in a stainless finish, or powder coated colours. Perfect for use in your bars, office space or cafes. This Prime low stool with Sled Base is a sleek, modern metal stool that will complement a wide variety of interiors. Designed for indoor use, the low metal stool is ideal for bars, restaurants, cafes, collaboration spaces and break rooms. Contact us to find out more about this Prime Stool at UHS International.
