

LA BOCA BARSTOOL

CONTRACT BAR STOOLS

FABRIC COUNTER HEIGHT BARSTOOL This La Boca Barstool blends mid-century modern styles with current design trends to create timeless pieces that will seamlessly complement any decor. The mid-century modern curved bar stool with fabric back and seat cushion provides a retro touch for any of your counter height seating needs. This minimalist wooden counter height barstool features a fabric seat cushion for extra comfort. The curved bentwood seat back also features a fabric cushion for support. The mid-century modern curved barstool has a solid beech frame tapered leg available with stains and colours from range or specification. Unique, and stylish, this fabric counter height barstool comes with a square-shaped footrest to provide comfort. This counter height barstool comes with floor protectors, to prevent floor surface scratches. The LA Boca retro counter barstool can be used in multiple applications, including cafes, bars, and standing height desks. To know more about this La Boca Barstool at UHS International, call today!
