

DUBAI BARSTOOL

CONTRACT BAR STOOLS

PADDED BARSTOOL WITH BACK Bring clean, contemporary style to your space with our Dubai Barstool. This padded barstool with low back features a characteristically modern tapered leg design and a stylishly curved seat back for optimal comfort. This padded bar stool's beautiful frame is constructed from solid wood and complemented by the inclusion of a powder coat finished footrest. The backrest and seat are enveloped in either soft fabric or leather upholstery, while cushioned padding provides added comfort and support. The wood lends the Dubai Barstool lasting durability and immense resilience. It has a padded solid back for added sitting comfort. Get in touch with us to discover more about this tall barstool with back at UHS International.
