FERNANDO BARSTOOL

CONTRACT BAR STOOLS

WINGBACK BAR STOOL Add an extravagant shine to your decor with our Fernando Barstool supplied by UHS International. It is a counter height stool with winged deep buttoned outer back polished timber frame and brass leg detail. Supported by a solid wood base, the four legs have a black finish with brass caps and a square crossbar where you can rest your feet. The seat is upholstered in leather and foam-filled. Along with deep jewel-like colours in upholstery, this counter stool with brass legs provides an upscale atmosphere that will impress your guests alike. The usage of straight, bold lines is offset by subtle curves to form a timeless look for years to come. Contact us to know more about this Fernando Barstool at UHS International.
