JUPITER BARSTOOL

CONTRACT BAR STOOLS

COMMERCIAL BARSTOOL Jupiter Bar Stool - traditional bar stool with polished timber frame and brass leg detail. The traditional, designed bar stool with curved back manufactured using high-quality fabric. This commercial barstool features tight tufted back design and four solid wooden legs for extra support. A comfortable seat is a crucial ingredient for any pub bar, high table nook, or counter. This comfortable curved back barstool founded atop a solid timber frame and features four tapered brass legs and a footrest down below for support. The Jupiter Barstool is the perfect addition to any space looking to add a bit of decorative flair and for comfortable seating.
