

SPIN STOOL

TABLE PLACE CHAIRS

4-LEGGED SWIVEL BAR STOOL Giving you a leg up over other seating options, this industrial design swivel bar stool can be adjusted to suit a variety of counter heights. Crafted from a steel framework in lacquer or powder coated to any standard RAL colour, its base features rubber feet that protect your floors from scrapes and scuffs, while the round timber seat is wrapped in either fabric or leather upholstery. This 4-legged design brings industrial-inspired appeal to your space, sporting pewter-finished legs, a screw-shaped accent, and exposed rivets. With its swivel function and adjustable height, you can always find the perfect position. Contact us to find out more about this spinning barstool at UHS International.
