MEL OAK DINING TABLE

CONTRACT DINING & BAR TABLES

WOODEN SHARING TABLE Sometimes the simplest designs are the most eye-catching ones. The long Mel oak table kept it pure and simple with beautifully curved profiles complementing the slim legs. Made with a wooden top and legs, the oak tones throughout this indoor table inspire a coastal and Scandinavian feel. This long wooden table works well as a desk or dining table. Tapered legs and detailing add a mid-century touch to the Mel Oak Dining Table. Wipe top with a damp cloth and dry with a clean cloth after daily use. Mel Dining Table is also available in a smaller size 160 x 76 x 75 (cm) Reach us to know more about the Mel Oak Dining Table designed by Table Place Chairs.
