BLENHEIM PARQUET ROUND CHEVRON TABLE TOP

CONTRACT TABLE TOPS UK

CHEVRON PATTERN TABLE TOP If you are looking for a natural-looking tabletop that offers an interesting detail, then our Blenheim Parquet Table Tops may be just what you are looking for. This round wooden tabletop is made with traditional craftsmanship in parquet flooring style with a chevron pattern. Designed for contract use, our parquet flooring table tops are high strength, hard wearing surfaces, available in a choice of finishes. Give in to the parquet trend with this round wooden table top, an attractive alternative to the usual plain restaurant and bar tables. Designed for use in commercial bar spaces, this chevron pattern tabletop is easy to add to an existing base and will bring a detailed look to your space, thanks to its natural contrasting grain. This solid wood round tabletop is available in ash wood stain, lacquered or finished with a mix of contrasting stains. This chevron pattern tabletop is customisable in size and wood stain, ready to be assembled with your choice of table base for indoor use. Visit us to know more about the Blenheim Parquet Round Chevron Table Top supplied by UHS International.
