TABLE PLACE CHAIRS

STAINLESS STEEL PEDESTAL TABLE BASE This commercial Column Table Base features an attractive powder-coated finish to match any bar, brewery, or restaurant's decor. It comes with tabletop screws and several adjustable floor glides, making set-up a breeze, protecting your floor from scratches, and helping with leveling. In addition, this commercial column dining table base in brushed stainless-steel construction is anticorrosive, so you can confidently use this pedestal table base in an outdoor setting without sacrificing its looks. The square column adds maximum stability to your tabletop, and the round base provides a sleek look to match any decor! This pedestal column table base is perfect for bars, pizzerias, and cafes with seasonal outdoor seating and year-round indoor seating. Create variety in your commercial seating without the added costs or clutter of separate indoor and outdoor table bases. The stainless steel floor fix table base available in dining and poseur height. Call us to find out more about this Pedestal Column Table Base supplied by UHS International.
