

MONTAGUE BAR TABLE

CONTRACT DINING & BAR TABLES

POSEUR HEIGHT TABLE The Montague Bar Table is a contemporary and practical option for any office breakout space, meeting area, canteen, dining, or café area. Hardwearing and easy to clean, the smooth tabletop surface and classic yet bold leg design will add a modern twist to your space. This metal box frame table structure with a solid oak top is available as a dining or poseur height table can be stained to any UHS stain with a standard RAL colour to the frame. A rectangular silhouette with clean lines is a staple in classy interiors. With this poseur height table, you won't just have a new stunning room addition, but you'll also enjoy a fun, spacious space for display and/or serving. It is made of both metal and engineered wood for worry- and stress-free everyday use. Contact us to discover more about the Montague Bar Table supplied by UHS International.
