JACK COFFEE TABLE

TABLE PLACE CHAIRS

ROUND OAK COFFEE TABLE The Jack Coffee Table is a modern round oak coffee table with a triangular steel frame. This steel frame coffee table brings together Nordic design – with its contemporary and raw character – and minimalism. The Jack Coffee Table characterised by a triangular steel frame is a modern piece of furniture in an industrial style. This round coffee table is a pleasing combination of a solid oak wood tabletop and a black metal base. The triangular base boasts a neutral black for a look that complements nearly any colour palette. A functional minimalist design and the use of only natural materials make this round coffee table a perfect choice for a modern cafe, restaurants or office canteens. Visit us to know more about the Jack Coffee Table supplied by UHS International.
