## ABSTRACT SIDE CHAIR

### OUTDOOR FURNITURE

**LASER CUT DINING CHAIR** The Abstract Side Chair's versatile style mixes Scandinavian and industrial looks. The metal seat and back features an eye-catching cut-out design, and the metal frame's round, slender legs include plastic caps that protect your floors from scrapes and scratches. Since the metal chair is stackable, you can easily move multiple out of the way to sweep the floors or make a little extra space. Designed for commercial use, this metal stacking chair is a timeless chair that will remain to be a statement piece for decades to come. The metal stacking chair can transform into very different looks with different colour and coating options. There are a lot of table options to be used together. This cut out dining chair can be used with metal tables, solid wood tables, compact tables, old fashion tables and distressed tables. This metal stacking chair for outdoor is a popular product in hotels, in steak houses, coffee shops and restaurant businesses. The Abstract cut out chair is advantageous for cleaning after use and provides a hygienic environment. To know more about this Abstract Side Chair at UHS International, visit today!
