

## RILEY SIDE CHAIR

### OUTDOOR FURNITURE

MEDITERRANEAN STYLED WIREFRAME CHAIR #Make a statement with this contemporary and Mediterranean styled wireframe chair, beautifully contoured with a steel frame and sleek powder-coated finish. The wires in the wireframe chair are closely welded together for optimal strength and longevity, specially designed for comfort. This wireframe chair showcases simple, clean lines that lend to their modern, trendy style. The frame of this modern industrial wireframe chair is made of solid steel wire that is finished in a glossy powder coat finish, making it the perfect addition to any commercial table. You will love these modern industrial wireframe chairs due to their protective feet and easy-clean, stain-resistant design. Available powder coated in any standard colour. Also, an armchair option available. Being lightweight in construction, the Riley wireframe chair is easy to move, and base with plastic glides to protect the floor against scratches. Get in touch with us to find out more about this Riley Side Chair supplied by UHS International.
