APOLLO TUB CHAIR – BLACK

OUTDOOR FURNITURE

RATTAN TUB CHAIR The Apollo Tub Chair is a resin rattan tub chair produced with the latest generation of air moulding technology. This black outdoor tub chair is made with a single injection mould of polypropylene reinforced with glass fibre providing it with excellent durability and strength. This outdoor tub chair can't unravel; it will not rust or decay, thus making it far more durable than a real woven wicker chair. UV stabilised the Apollo Tub Chair will not fade or go brittle under direct sunlight. This black rattan tub chair is suitable for all indoor and outdoor commercial applications. Designed to drain water, water will not pool on its seat. Very easy to clean, hose it down. The Apollo Tub Chair has been designed and shaped for maximum comfort. It is a new, versatile, and stackable rattan tub chair that looks modern and stylish in any new commercial venue. Sink effortlessly into comfort with this outdoor tub chair with its pleasant, curved back and sloping arms. The perfect chair for lounging outdoors, this black tub chair combines the classic looks of wicker furniture with the utmost in comfort and functionality. Ideal for use in outdoor areas in hotel gardens, coffee shops and restaurant patios. Contact us to discover more about the Apollo Tub Chair supplied by UHS International.
