

MILL LINEA BENCH

OUTDOOR FURNITURE

CONTEMPORARY GARDEN BENCH The Mill Linea Bench is the perfect complement to your outdoor needs with its sleek and modern design. This contemporary outdoor bench is crafted from a powder-coated steel frame and topped off with resin slats for a rustic wood look. It delivers a classic wood look with the all-weather durability that's an outdoor necessity. If you are looking for an attractive and low maintenance product for your outdoor needs, look no further than the Mill Linea Bench. A rustic outdoor bench with the Mill slats and steel powder-coated frame. Standard finishes are available. Built to match seamlessly with the rectangular dining table, this 3-seater slatted garden bench can also be used as a standalone product. Visit us to find out more about this Mill Linea Bench supplied by UHS International.
