

GRANVILLE COFFEE TABLE

CONTRACT COFFEE TABLES

NARROW OAK COFFEE TABLE Granville is a solid oak classy side/coffee table that has a detail on the top with a shallow rim. Includes a mid-shelf. With its combination of textures and its smooth, round profile, we've designed this small light oak coffee table to complement your relaxed interior scheme. This narrow oak coffee table is crafted from solid oak and finished with a natural lacquer coating to enhance the wood's natural colouring and patterns and protect against small spills and light knocks, creating a piece with durability which will be useful for years to come. The Granville Coffee Table is ideal for the space just inside the front door where belongings tend to pile up and become messy. The piece features a lower shelf, for more storage options. Compact and small for those small corners in a lounge area or hotel bedroom. Get in touch with us to discover more about this Granville Coffee Table available at UHS International.
