

HARROW SIDE CHAIR

CONTRACT DINING CHAIRS

CURVED BACK WOODEN CHAIR Our Harrow Side Chair is perfect for accenting your classic style. The rich wood finish will serve to add a touch of warmth to your commercial space. This wooden spindle chair is excellent for elevating the style of any room! Offering true beauty and charm within its simplicity, this curved back painted wooden chair is a perfect piece of furniture for any commercial space. The use of six spindles represents the traditional design of the Harrow chair beautifully. This spacious spindle back side chair allows you to lean back in comfort and stay for that extra drink. Reach us to know more about this curved back wooden chair design at UHS International.
