BENNETT SIDE CHAIR

TABLE PLACE CHAIRS

PADDED STACKING CHAIR With flared legs and a flawless silhouette, this Bennett Side chair will match in any dining area. The mid-century modern design of this oak side chair is expressed through the clean lines and simple polyester upholstery. The open back gives this oak frame stackable side chair an airy look and feels that will transpire to all other furniture in the room. Bennett Oak Side Chair is a stack-able upholstered chair that has a smooth and uniform personality, and it is durable and stable by nature, proving this stacking piece was crafted using high-quality materials and was built for longevity which is perfect for small places. A simple, streamlined design makes this oak side chair an easy addition to any dining space. The frame of this stackable side chair is crafted from manufactured oak and upholstered with a seat and back pad, which gives a finished look. This oak frame side chair features durable fabric upholstery, an open back and floor glide to prevent your floors from being scratched. With this stackable side chair by UHS International, there will always be a way to impress your guests with a modern seating style. This attractive padded stacking chair will complement your hotel and office seating needs by creating an inviting atmosphere. The curved-style backrest of this stack-able upholstered chair features narrow plain tufting and curves downward toward the front of the armrests. To customise this Bennett Side Chair, the stack-able upholstered chair to your specification give us a call today!
