

STOCKHOLM ROUND TABLE TOP

CONTRACT TABLE TOPS UK

BIRCH PLYWOOD TABLE TOP If you're after that simple Scandinavian look with a retro feel, look no further! This Birch Plywood Tabletop is beautiful yet practical and versatile. Pair this plywood end grain table top with table legs of your choice to create a stunning desk or dining table, coffee table or workbench. This unique circular plywood table top is made from multiple top-grade birch plywood layers laminated together to create a modern look and finished with four coats of a professional quality, environmentally friendly clear coat. Our Birch end grain table tops can be custom made to your specifications. Contact us to know more about the Stockholm Round Table Top supplied by UHS International.
