RECLAIMED WOOD TABLE TOP An industrial style table top featuring a steel frame and a reclaimed oak table top. Looks great with a distressed finish. This oak round table top is one of our most popular choices due to its classic look and durability. This reclaimed wood table top has a unique, highly visible grain pattern that adds to its beautiful appearance. The round wooden table top is all-natural that can be stained to any standard finish. The Firenze reclaimed wood table top comes with a waterbased urethane Matte finish for a smoother feel and to make them easy to clean and keep yourself free of pesky splinters. These table tops are not recommended for outdoor use. Reach us to know more about the Firenze Round Table Top supplied by UHS International.
