

TRUMPET TABLE BASE

CONTRACT TABLE BASES

INDUSTRIAL PUB TABLE BASE This black pedestal table base has an attractive powder-coated finish that will match any bar, pub, café or restaurant's decor. The durable cast-iron base plate and matching welded spider will also keep your table from rocking or wobbling. Additionally, this bar height table base comes with table top screws and several adjustable floor glides, which make set-up a breeze, protect your floor from scratches, and create a flat dining surface. The Bar height tables add a pop of contemporary flair to your business while also providing another seating and dining option. Pair a Trumpet black table base with a table top and some bar stools for the ultimate in comfort and style. This pedestal base also works well for longer rectangular tables that require a bit more support. Contact us to know more about the Trumpet Table Base supplied by UHS International.
