

COLONY TWIN DINING TABLE BASE

CONTRACT TABLE BASES

DINING TABLE DOUBLE PEDESTAL BASE The Colony Twin Dining Table Base has a solid wood frame that can be stained to various colours. This antique double pedestal table base comes with a set of two table legs and one cross beam. The wooden table legs create a pedestal-style base for your table in the dining area with an authentic and sophisticated style. The clean lines on our Colony Pedestal Leg Set make a statement without overshadowing your beautiful tabletop! Made from solid wood and constructed to provide a sturdy base to any table project, the Colony Twin Dining Table Base is a heavy-duty winner. Visit us to know more about the Colony Twin Dining Table Base supplied by UHS International.
