OTTO LOW STOOL

CONTRACT SOFAS AND ARMCHAIRS

LOW CUSHIONED STOOL The Otto Low stool is the perfect addition to any space looking to add a bit of decorative flair. This cushioned industrial low stool is assembled with a high-quality fabric that is wrapped around a solid wood frame providing exceptional support and stability. This low height wooden stool is an ideal choice for the bedside, desk, or other seating areas. Crafted from a manufactured wood frame, this padded industrial low stool features 100% linen upholstery awash in a solid colour. Kick up your feet and sit back in style with this Otto Low cushioned stool. Low industrial stool is an excellent option for rounding out your ensemble: whether the perfect perch for an extra touch of seating, a coffee table stand-in, or just a spot to put your feet up, it's a soft accent. Contact us to know more about this industrial Otto Low Stool available at UHS International.
