REMO BAR STOOL

OUTDOOR FURNITURE

OUTDOOR METAL BARSTOOL Bring outdoors to enjoy the warm weather on your patio while sitting around your bar height patio table. The Remo Barstool will look great in any environment: restaurants, bars, bistros, or cafes. If you're looking for a trendy bar stool for your restaurant that will hold its style throughout the years, this colourful metal bar stool will not disappoint. Crafted from durable galvanised steel metal polished in a durable powder-coated finish, this outdoor stacking barstool with the back designed to withstand regular use in the fast-paced restaurant industry. Pair this comfortable outdoor bar stool with our matching chairs and counter height bar stools to have seating at your dining table. Coordinate the seating in your restaurant with the same style of seating at your bar and restaurant tables. This metal bar stool can be used year-round outside, for longevity to protect the frame from long periods of wet weather. Contact us to find out more about this Remo Barstool at UHS International.
