

GENEVA HOLE BARSTOOL

TABLE PLACE CHAIRS

TABLE PLACE CHAIRS The Geneva Hole Barstool is one of the top designs in wooden high back barstools at UHS International, and you will find them in many exclusive bars, cafes and pub groups. It is a fine dining barstool with upholstered seat and back available in standard UHS upholstery ranges and wooden stained legs available in all standard UHS wood stains. Perfect pulled up to any pub table, this high back bar stool lends inviting, transitional style to any space. Impress your guests with this Geneva high back bar stool from UHS International. This wooden high back barstool with arms will withstand everyday use in busy commercial environments. Manufactured specifically for the hospitality industry, a design that has been tried and tested for decades. On top of its tapered legs and mid-century-inspired frame, we gave our classic high back barstool a curved seat and backrest for extra comfort. This high back barstool is comfortable and sturdy enough for the man cave, but with wood finish legs, is elegant and stylish enough to use for seating at a bar or cafes. Get in touch with us to receive more information about our Geneva hole barstool by UHS International.
