

SPARTA ROUND TABLE TOP

CONTRACT TABLE TOPS UK

BLACK ROUND TABLE TOP 900MM The Sparta Round Table Top is perfect for a more rustic, industrial feel. The combination of reclaimed round hardwood and steel frame adds just the right touch of old and new. The traditional round table top with steel edge provides a robust design with classical diner styling. Our wooden table top is stained and lacquered for contract use in the leisure, hospitality and commercial environments. Complete your restaurant, break room or cafeteria with this black round table top 900mm. The commercial quality round table top requires minimal maintenance. A simple wiping with a wet cloth is needed to remove signs of spills or stains, whether from liquids, solid foods, or sticky substances. This round table top is designed for commercial use, so you will be assured it will withstand the hospitality industry's daily rigours. Visit us to know more about the Sparta Round Table Top supplied by UHS International.
