

ONDA BARSTOOL

OUTDOOR FURNITURE

METAL OUTDOOR BARSTOOL Onda Barstool has a leg up on other seating options at the perfect height for breakfast bars and pub tables. Take this bar & counter metal barstool, for example: ideally suited for your hotel's contemporary aesthetic. It features a curved full-back, square seat, and built-in footrest. The frame of this bronze barstool is crafted from metal and can be stacked. The antique bronze finished Onda Barstool is a charming piece in a rustic style obtained through the solid steel frame with a metal seat, legs, and footrest for support. This outdoor metal bar stool with back offer commercial-grade durability with Insta-worthy good looks. Contact us to know more about this Onda Barstool supplied by UHS International.
