CRETE ARM CHAIR INDUSTRIAL

OUTDOOR FURNITURE

INDUSTRIAL STYLE ARMCHAIR The Crete Armchair blends mid-century modern and modern industrial styles with current design trends to create timeless pieces that will seamlessly complement any outdoor decor. The Crete Armchair, an industrial style armchair provides a comfortable, yet sophisticated seating solution for cafe tables and bars, suitable for outdoor settings. The Crete industrial-style armchair has an extra-wide seat and is available in a range of colours, and its unique design allows up to ten chairs at a time to be stored in a self-supporting stack. This industrial armchair is prepared to decorate any outdoor location with its galvanised steel construction and anti-UV powder coating to prevent heat retention. Give us a call to know more about this Create Armchair Industrial at UHS International.
