

## TONIC SIDE CHAIR

**OUTDOOR FURNITURE** 

COMMERCIAL OUTDOOR CHAIR Seat your guests comfortably in the shade or sun with this polypropylene stackable side chair! The Tonic polypropylene outdoor chair is the epitome of strength, ergonomic luxury and aesthetic perfection as it beckons your guests to sit, unwind and sip a refreshing cocktail at the end of the day. This attractive polypropylene outdoor chair is well-suited for commercial use and won't get hot or fade in the sun. The resin material is made with air moulding technology for superior durability, so this stackable side chair can withstand repeated use. Perfect for outdoor restaurants, cafes, resorts, and pools, the clary sage colour provides a versatile addition to your outdoor furniture. With its solid one-piece construction, this polypropylene outdoor chair is easy to maintain and clean with just soap and water to keep it looking new. The back of this commercial outdoor chair features a unique pattern for a contemporary look. Its stackable, lightweight design makes the Tonic Side Chair easy for guests and staff to move around in your outdoor dining area. Give us a call to know more about this commercial polypropylene outdoor chair at UHS International.
