

VOLOS ARMCHAIR

OUTDOOR FURNITURE

PURPLE POLYPROPYLENE ARMCHAIR Produced using the latest air moulding technology, the Volos Armchair has been created from polypropylene and is very stylish, yet easily maintainable. Tested to contract standard, ensuring the purple armchair is durable and will withstand the demanding commercial environments such as outside restaurants, cafes, and bars. This modern outdoor armchair feature a cross back and is available in a variety of colours. The plastic material is high-quality polypropylene, suitable for both indoor and outdoor use. This open back armchair is also easy to keep clean, and when not in use can be stacked up to 10 high. Reach us to know more about this modern outdoor armchair supplied by UHS International.
