WELCOME

TO EDITION TEN!

A great start to 2017 with so many opportunities, new projects, and new developments. At the start of 2017 we kicked off with an all company strategy event in the Marriott Heathrow where we presented the plans ahead. The event started off with a bit of team building and ended up with a fantastic meal enjoyed by the UK and Italian teams.

Our new website has gone live with some exciting features including a configurator tool where you can customise your own products online (more products being added ongoing).

If you would like to find out about a specific project or product, please email us at info@uhs-group.com or contact our team on 0330 1222 400.

ETM GREENWOOD LONDON

The latest competitive bar / restaurant to hit the capital will no doubt be another thriving success. A sports lovers dream featuring a ping pong table, 8 ball American pool table and sports bar! Traditional clubs are making way for unique drinking experiences, and Greenwood demonstrates that perfectly being just a stone throw away from Pacha, Victoria which has now closed down. Being bold has certainly paid off for this Greenwood bar/restaurant! The use of bright colours and funky fabric patterns has created a fun, vibrant atmosphere. The photos really speak for themselves... Wow!
